

Origamisk genbrug: Simplet avishat

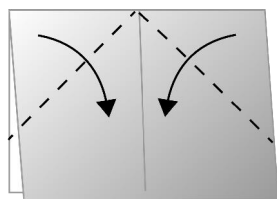

Design og diagram ©2009 Hans Dybkjær, papirfoldning.dk

Verdens næstsimpleste hat. Den simplest er som den ser ud i trin 4, men de sidste tre trin stabiliserer samlingen.

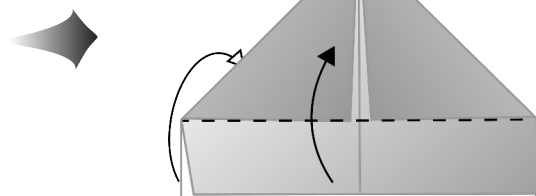

1 Fold sammen.

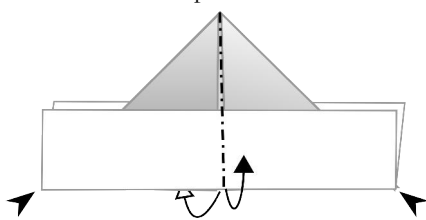

2 Fold hjørnerne ind langs midten.

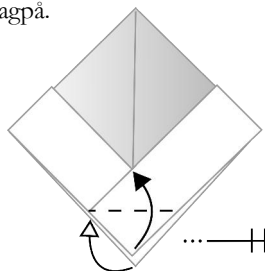

3 Fold strimlen op foran, og det samme bagpå.

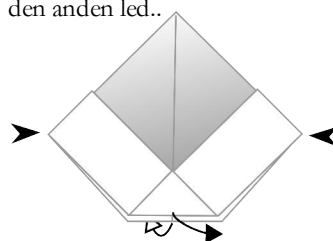

4 Træk hatten ud på den anden led.

5 Fold snippen op, gentag bagpå.

6 Træk hatten ud på den anden led..

7 Færdig. Tag den på.
