

# Origamisk genbrug: Blomsterbuket

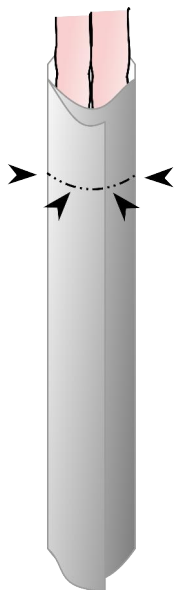

Design og diagram ©2009 Hans Dybkjær, papirfoldning.dk

Vil du give kæresten en buket, men du har ikke lige nogen blomster? Intet problem, lav den selv!

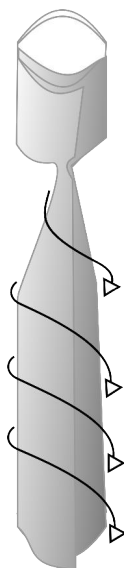

1 Vikl en avisside om to fingre, ca. halvt oppe ad fingrene.

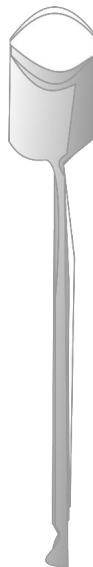

2 Tryk skarpt ind lige neden for fingrene..

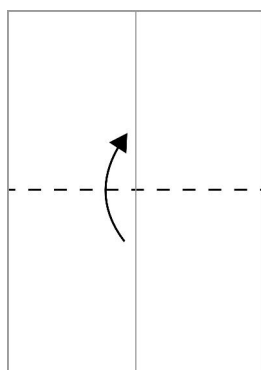

3 Sno stilken hårdt sammen.

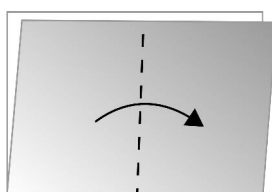

4 En færdig rose. Lav 3-5.

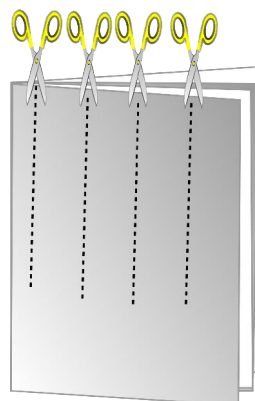

5 Fold op.

6 Fold over.

7 Klip, riv eller flå strimler 2/3 ned.

8 Vikl bladene om blomsterne. Buketten er klar!
