**

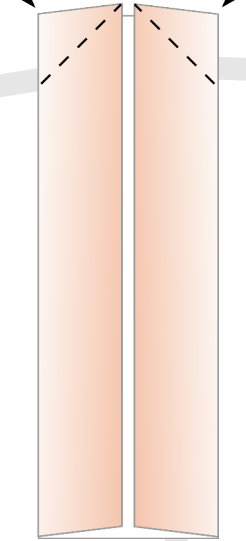

En meget enkel og dekorativ ugle. Skriv et brev på indersiden.
Eller lav nogle mindre og stik inden i til en moderugle eller en babusjkaugle.

1 Fold ind til midten.

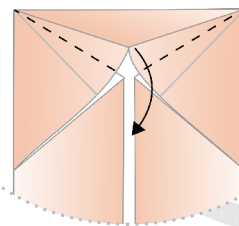

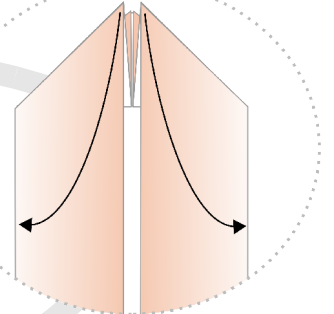

2 Indvendig fold i hjørnerne.

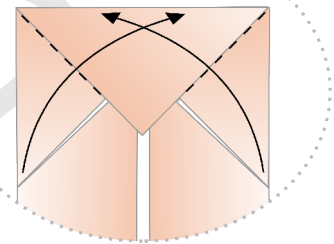

Detalje: Hoved

3 Fold spidserne ned,
og hold dem der ...

4 ... mens næbbet foldes
ned (lige nu stritter det op).

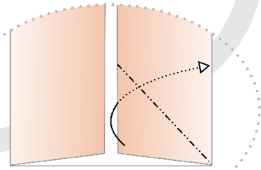

5 Fold spidserne op
langs toppen.

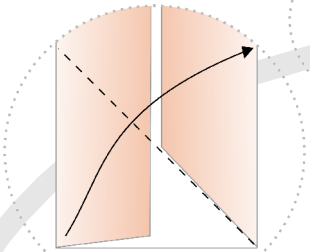

Detalje: Hale

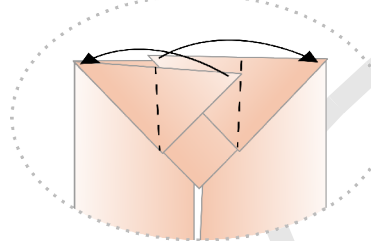

9 Fold flappen ind.

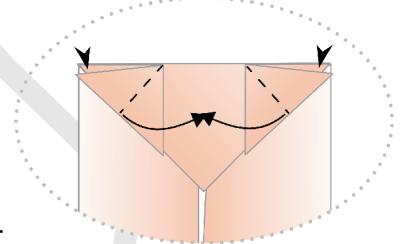

10 Fold hjørnet over.

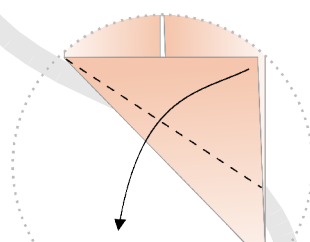

6 Fold spidserne
ud i hjørnerne.

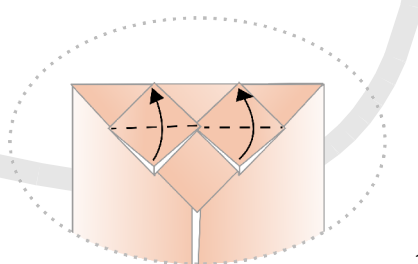

7 Åbn spidserne og
tryk dem flade.

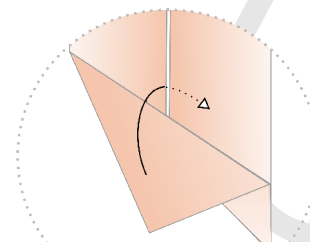

11 Og delvist tilbage.

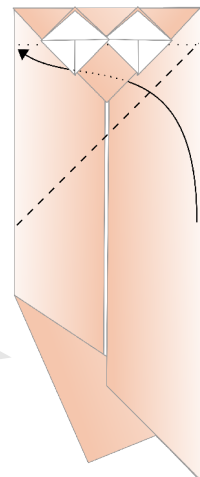

8 Åbn øjenene.

12 Stik halen ind
under vingen.

Fuld model: færdiggørelse

13 Fold vingekanten
vandret ind under
næb og midten af
øjnene.

14 Den færdige ugle.
