# Angel  **

The Angel was designed for PechaKucha December 3, 2008. The animated presentation from then is available at papirfoldning.dk.
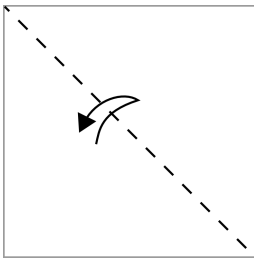

Use slightly stiff paper. 20 x 20 will give a model of about 10 x 15 cm.

**Crease pattern**

## Instructions

**1. Mark the diagonal.**
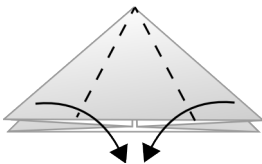

**2. Mark the other diagonal.**
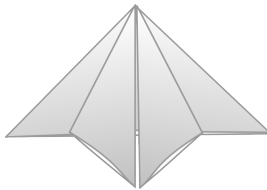

**3. Turn over and mark the book fold.**
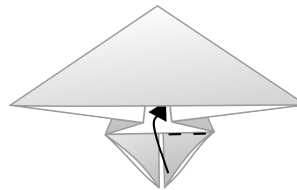

**4. Push together in existing crease lines.**
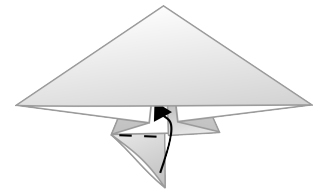

**5. Fold the front flaps down and into the middle.**
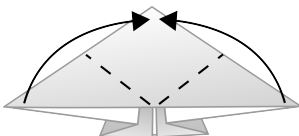

**6. Like this. Turn over.**

**7. Fold the flap in ...**
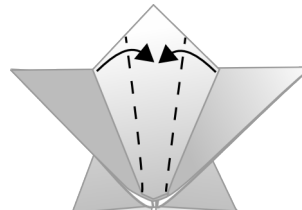

**8. ... and also the other flap.**
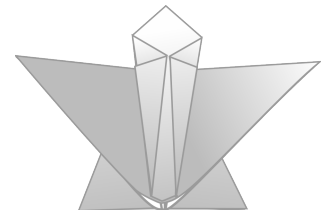

**9. Fold the wings up.**

**10. Fold corners behind. The wings remain free.**
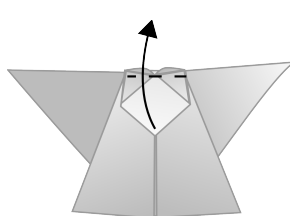

**11. Fold back flaps into the middle.**
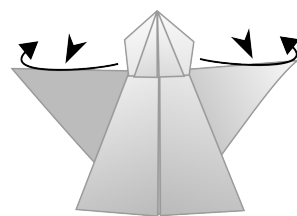

**12. Like this. Turn over.**

**13. Fold the head down the stomack.**

**14. Fold the head up again. The small space is a neck.**
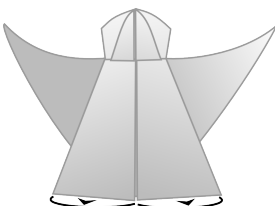

**15. Round the wings. Pull backwards, round, and up.**

**16. Round the head.**

**17. Round the dress at the bottom.**

**18. Finished angel.**

It is perfect for standing benevolently at the top of the shelf, but may also be used as a hanging ornament or as a finger puppet.
